

General information about Airaa

Airaa Academy is a Montessori based Elementary school and is the first of its kind in South Bangalore to extend Montessori from grade 1 to grade 6.

With an aim to promote excellence in academic learning, we offer quality education to learners based on the Montessori method that is deeply rooted in the spirit and philosophy of Dr. Maria Montessori .

This methodology, based on developmental needs common to 6-12 year old learners is highly individualized.

This is then, transitioned into the CBSE curriculum from Grade VI upward. Airaa Academy intends to provide the CBSE board till Grade XII.

The ratio of learner:facilitator is 10:1 in all the grades. Learners of class 1, 2 and 3, work together as a mixed age group in one environment, unlike conventional system where they work in vertical age groups.

The classrooms (Grade I-XII) are designed to be vibrant & collaborative. Learners explore, experiment, confer & create with the content offered. Concepts are rendered to learners in the form of presentations in small groups, based on the readiness of the learner. These concepts are planned in graded pattern and individualized to ensure that the learner's academic journey is tailored to their needs.

The aim of working with this methodology that results in CBSE is to enable the curriculum to be open-ended and essentially creative.
